DECLARATION

(This form must be attached to another form or court paper before it can be filed in court.)

On July 8th, 2020, the Sacramento County Sheriff's Office received information that a subject identified as Andrew Richard Casarez had been identified as a well known online white supremacist known as "Vic Mackey." The information gathered from the information release was confirmed by multiple posts that Casarez made online, for example his father was a retired Firefighter, he made another post that he was 6' 4" tall, these are just some of the examples found online. Additionally, looking into open source media it was found that Casarez was the leader of an online group known as the "Bowl Patrol."

The "Bowl Patrol" is an online group that endorses violence against minorities, they take their name from known domestic terrorist Dylan Roof who is known for killing 9 people at a prayer meeting in South Carolina. Roof is known in the white supremacist movement for having a "bowl cut" haircut. Images were recovered from the open source images found ideals for a violence against minorities and called for murder and rape of Law Enforcement and people of Jewish descent. Also found were comments by Casarez where he stated he reloads his own ammunition and was attempting to obtain an "80% AR" referring to an 80 percent built AR-15 which would be unregistered and illegal in the state of California.

Based on my training and experience now that Casarez has been outed as a white supremacist and he has lost his anonymity there is a likelihood that he could become a "lone wolf" attacker to prove his status to the cause.

A search of the Automated Firearms System revealed the following firearms registered to ~~NUNEZ~~ and are believed to be located at his residence:
CASAREZ

- 9MM "CZ"-USA Semi-Automatic pistol, serial #B810950

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
