**AFFIDAVIT FOR SEARCH AND ARREST WARRANT**  
**{Article 18.02(1)-(9), Texas Code of Criminal Procedure}**

BEFORE ME, THE UNDERSIGNED AUTHORITY PERSONALLY APPEARED THE AFFIANT HEREIN, A PEACE OFFICER UNDER THE LAWS OF TEXAS, WHO, BEING DULY SWORN, ON OATH MADE THE FOLLOWING STATEMENTS AND ACCUSATIONS:

My name is Officer Gerald Goines and I am commissioned as a peace officer by The Houston Police Department.

1. There is in Houston, Harris County, Texas, a suspected place and premises described and located as follows: a one story residence located in the "2807 Nettleton". The above location is located in Houston, Harris County, Texas. The residence is constructed of wood which is white in color. The residence is located on the east side of Nettleton street. The intersecting street is Tuam. The front door faces east and has burglar bars attached to it. The numbers "2807" are plainly visible on the residence. The residence next door (south) has the numbers "2811" plainly displayed. The above residence in question is located in the 2800 block of Nettleton. The most common address to the above location in question is "2807 Nettleton", Houston, Harris County, Texas. Said suspected place, in addition to the foregoing description, also includes all other buildings, structures, and places on said premises and within the curtilage, if said premises is a residence, that are found to be under the control of the suspected party named below and in, on, or around which said suspected party may reasonably reposit or secrete property that is the object of the search requested herein.

2. Said suspected place is in the charge of and controlled by each of the following named and/or described suspected parties (hereafter called "suspected party," whether one or more), to wit: a black male, who is known by the street name of "B". He is approximately thirty (30) years of age, five feet eight inches (5'8") in height and one hundred and eighty (180) pounds in weight. His skin complexion is medium in color. This individual is accused of an offense against the law of the State, namely Possession of a substance, namely marijuana. You may arrest others for the same offense who are unknown to the affiant but found to be occupants of said premises and in control of same.

3. It is the belief of affiant that said suspected party has possession of and is concealing at said suspected place in violation of the laws of the State of Texas the following property: a drug, controlled substance, immediate precursor, chemical precursor, or other controlled substance property, including an apparatus or paraphernalia kept, prepared, or manufactured in violation of the laws of this state, to wit: marijuana.

4. Affiant has good reason to believe, does believe, and hereby charges and accuses that on or about 10/23/2016 in Houston, Harris County, Texas, the suspected party committed an offense against the laws of the State of Texas, to wit, Possession of a substance, namely marijuana. On said date and at said place, the suspected parties did then and there intentionally and knowingly possess a substance, believed and referred to as marijuana.

5. Affiant has probable cause for said belief by reason of the following facts and circumstances: On October 23, 2016, a narcotic investigation was being conducted at "2807 Nettleton", Houston, Harris County, Texas". The above residence located at "2807 Nettleton had been under investigation by officers of the narcotic division for four (4) weeks. On this date (10/23/2016), Your Affiant was contacted by the below confidential informant regarding the above location mentioned above. Your Affiant met with the confidential informant to further this narcotic investigation which was being conducted at the above location in question. The confidential informant was met at a pre-determined location to assist officers of the narcotic division with this investigation. The confidential informant was searched and found clear of any narcotics and or paraphernalia. The confidential informant then advised officers that at the above location, narcotics were still being sold and stored. The confidential informant informed your Affiant that within the last twenty-four (24) hours, the confidential informant was at the above location in question. The confidential informant observed a quantity of green leafy substance referred to as "Dro" at the above mentioned location. The confidential informant was provided U.S. currency by your Affiant for the purpose of buying narcotics from the above location in question. The confidential informant went directly to the location above and would return directly to your Affiant. Your Affiant was then be given a quantity of green leafy substance by the confidential informant. The green leafy substance was believed to be marijuana by sight and smell. The substance was purchased from the location above and from the male known as "B", who is more fully described above. The term "Dro" is a street slang for marijuana. Surveillance was placed on the above location by narcotic officers. Officers observed unknown people going to the location and leaving after a short period which is consisted of street narcotic activities. The confidential informant did advised that additional green leafy substance was observed at the above location in question for sell. The confidential informant also observed the above male known as "B", to be in control of the substance, referred to as "Dro", at the residence.

The confidential informant did advised that a rifle was observed inside the residence in question at the front door. The confidential informant did advise that the weapon and narcotics were in the care, custody and control of the above male known as "B".

The confidential informant has provided information and assistance to officers in the past on at least ten (10) prior occasions which has lead to narcotic arrests and seizures. The confidential informant has proved to be creditable and reliable on prior occasions. Officers have made arrests and seized narcotics based on information and assistance provided by the confidential informant in the past.

6. Affiant requests authorization to enter the suspected place and premises without first knocking and announcing the presence and purpose of officers executing the warrant sought herein. As probable cause to believe that such knocking and announcing would be dangerous, futile, or would inhibit the effective investigation of the offense described in this Affidavit, affiant submits that the following facts and circumstances: the above male known as "B" and more fully described above was observed at 2807 Nettleton, Houston, Harris County, Texas. A quantity of green leafy substance believed to be marijuana by sight and smell was sold to a confidential informant with additional quantity for sell. A weapon was observed at the location. Your Affiant believe that the weapon is being kept at the same location where the narcotics are being stored. Based on your Affiant's experience, that when weapons are used or displayed at a narcotic transaction, it is there for the protection of the narcotics, and or to buy time so that the narcotics may be destroyed.

Wherefore, affiant asks for issuance of a warrant that will authorize affiant and other peace officers to search said suspected place and premises for the property described above and seize same, and to arrest and search each suspected party named and described herein and others unknown to affiant found to be occupants of and in control of said premises.
