Re: OSG FOIA No. 124981

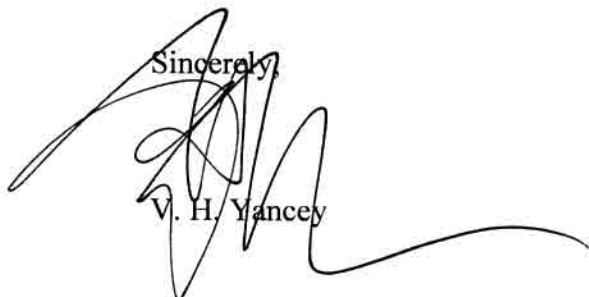

Dear Mr. Leopold:

This letter responds to your Freedom of Information Act (FOIA) request to the Office of the Solicitor General (OSG) dated January 11, 2015. You requested "any and all emails sent by the current Solicitor General or any former Solicitors General to any member of the United States Supreme Court."

OSG has found records in its files that are responsive to your FOIA request and we are providing the enclosed copies of these records to you at no cost. OSG located two additional records that fell within the parameters of the FOIA request but were not agency records and therefore not subject to FOIA.

Thank you for your inquiry.

Sincerely,

V. H. Yancey

Re: OSG FOIA No. 124981

Dear Mr. Leopold:

This letter responds to your Freedom of Information Act (FOIA) request to the Office of the Solicitor General (OSG) dated January 11, 2015. You requested "any and all emails sent by the current Solicitor General or any former Solicitors General to any member of the United States Supreme Court."

OSG has found records in its files that are responsive to your FOIA request and we are providing the enclosed copies of these records to you at no cost. As noted in the enclosed copies, Exemption (b)(6) applies to the redacted areas as the information is deemed "personnel, medical, or similar file the release of which would constitute a clearly unwarranted invasion of personal privacy". OSG located two additional records that fell within the parameters of the FOIA request, however, they were not agency records and, therefore, not subject to FOIA. The email addresses redacted in the responsive documents are government email addresses.

Thank you for your inquiry.

Sincerely,

V. H. Yancey

I have a question: I'm going to hang your portrait tomorrow in our conference room, and I was wondering if you have a particular preference on layout. I was thinking of the three senior on top, and then you in a separate, lower, row with Justice Marshall (so 3, and then 2). But I wanted to see if you thought that ok. I've enclosed a picture of the current layout (4, in 1 row).
