3946

2025-2026 Regular Sessions

## IN ASSEMBLY

January 30, 2025

Introduced by M. of A. WALSH -- read once and referred to the Committee on Consumer Affairs and Protection

AN ACT to amend the general business law, in relation to requiring age verification for internet pornography websites

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new section  
2 390-f to read as follows:

3 § 390-f. Age verification for internet pornography. 1. Definitions.  
4 For the purposes of this section, the following terms shall have the  
5 following meanings:

6 (a) "Commercial entity" means a corporation, limited liability compa-  
7 ny, partnership, limited partnership, sole proprietorship, or other  
8 legally recognized business entity.

9 (b) "Digital identification" means information stored on a digital  
10 network that may be accessed by a commercial entity and that serves as  
11 proof of the identity of an individual and location of the individual.

12 (c) "Distribute" means to issue, sell, give, provide, deliver, trans-  
13 fer, transmute, circulate, or disseminate by any means.

14 (d) "Minor" means an individual younger than eighteen years of age.

15 (e) "News organization" means:

16 (i) an employee of a newspaper, news publication, or news source,  
17 printed or on an online or mobile platform, of current news and public  
18 interest, who is acting within the course and scope of their employment  
19 and can provide documentation of such employment with such newspaper,  
20 news publication, or news source; and

21 (ii) an employee of a radio broadcast station, television broadcast  
22 station, cable television operator, or wire service who is acting within  
23 the course and scope of their employment and can provide documentation  
24 of such employment.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD07950-02-5

1 (f) "Publish" means to communicate or make information available to  
2 another person or entity on a publicly available internet website.

3 (g) "Reasonable age verification method" shall mean a method as  
4 described under subdivision three of this section.

5 (h) "Sexual material harmful to minors" means any material that:

6 (i) a reasonable person, applying contemporary community standards,  
7 would find, taking such material as a whole and with respect to minors,  
8 is designed to appeal to or pander to the prurient interest;

9 (ii) in a manner patently offensive with respect to minors, exploits,  
10 is devoted to, or principally consists of descriptions of actual, simu-  
11 lated, or animated display or depiction of:

12 (A) a person's pubic hair, anus, or genitals or the nipple of the  
13 female breast;

14 (B) touching, caressing, or fondling of nipples, breasts, buttocks,  
15 anuses, or genitals; or

16 (C) sexual intercourse, masturbation, sodomy, bestiality, oral copula-  
17 tion, flagellation, excretory functions, exhibitions, or any other sexu-  
18 al act; and

19 (iii) taken as a whole, lacks serious literary, artistic, political,  
20 or scientific value for minors.

21 (i) "Transactional data" means a sequence of information that docu-  
22 ments an exchange, agreement, or transfer between an individual, commer-  
23 cial entity, or third party used for the purpose of satisfying a request  
24 or event. The term includes records from mortgage, education, and  
25 employment entities.

26 2. Publication of material harmful to minors. (a) A commercial entity  
27 that knowingly or intentionally publishes or distributes material on an  
28 internet website, which contains any sexual material harmful to minors,  
29 shall utilize any information located within an IP address to verify  
30 that such attempted user is based within the geographic boundaries of  
31 the state of New York, and, where such user is verified as being located  
32 within the geographic boundaries of the state of New York, shall use  
33 reasonable age verification methods under subdivision three of this  
34 section to verify that an individual attempting to access the material  
35 is eighteen years of age or older.

36 (b) Each commercial entity that knowingly or intentionally publishes  
37 or distributes material on an internet website, which contains any sexu-  
38 al material harmful to minors, shall perform age verification for each  
39 internet protocol address attempting to access such website at least  
40 once per day. Attempted users that prove they are eighteen years of age  
41 of older may be allowed access to such website.

42 (c) A commercial entity that knowingly or intentionally publishes or  
43 distributes material on an internet website that is found to have  
44 violated this subdivision shall be liable to the attorney general who  
45 shall notify such commercial entity of its noncompliance. The attorney  
46 general may impose a civil penalty of up to fifty thousand dollars per  
47 day in connection with any such violation. The attorney general shall be  
48 authorized to take proof and make a determination of the relevant facts  
49 and to issue subpoenas in accordance with the civil practice laws and  
50 rules.

51 3. Reasonable age verification methods. It shall be an affirmative  
52 defense to any alleged violation of subdivision two of this section that  
53 a commercial entity imposed reasonable age verification methods upon  
54 users attempting to access its internet website. A commercial entity  
55 that knowingly or intentionally publishes or distributes material on an  
56 internet website which contains any sexual material harmful to minors,

1 or a third party that performs age verification under this chapter  
2 shall:

3 (a) require an individual to comply with one or more of the following:

4 (i) provide digital identification;

5 (ii) pay for access via credit card transaction; or

6 (iii) comply with a commercial age verification system that verifies  
7 age using:

8 (1) government-issued identification; or

9 (2) a commercially reasonable method that relies on public or private  
10 transactional data to verify the age of an individual; or

11 (b) allow users to access such website via a password protected  
12 account, where such password is required to be changed monthly, and  
13 which has been verified by one of the methods under paragraph (a) of  
14 this subdivision at least once per calendar month.

15 4. Applicability. (a) The requirements of this section shall not apply  
16 to a bona fide news organization or public interest broadcast, website  
17 video, report, or event and shall not be construed to affect the rights  
18 of news organizations.

19 (b) An internet service provider, or its affiliates or subsidiaries, a  
20 search engine, or a cloud service provider shall not be determined to  
21 have violated this section solely for providing access or connection to  
22 or from a website or other information or content on the internet or on  
23 a facility, system, or network not under such provider's or search  
24 engine's control, including transmission, downloading, intermediate  
25 storage, access software, or other services to the extent such provider  
26 or search engine is not responsible for the creation of such content  
27 that constitutes sexual material harmful to minors.

28 § 2. This act shall take effect on the ninetieth day after it shall  
29 have become a law. Effective immediately, the addition, amendment and/or  
30 repeal of any rule or regulation necessary for the implementation of  
31 this act on its effective date are authorized to be made and completed  
32 on or before such effective date.
