Ms. Palmer,

I am the custodian of records for the Kearney School District. I am in receipt of your request for records under the Missouri Sunshine Law, Chapter 610, RSMo, which was received on 9/1/2026. Specifically, you requested:

*Any policy, procedure, guideline, or other written guidance in effect at the relevant time concerning blocking, restricting, or otherwise limiting a member of the public's ability to access or interact with the District's official social media accounts.*

*All records and communications concerning the decision to restrict my Facebook account, including the reason or factual basis for the restriction and any policy, rule, or standard considered or relied upon. This includes, but is not limited to, emails, text messages, internal electronic messages, notes, memoranda, and communications with third parties, as well as any existing records memorializing or referring to oral discussions concerning the decision.*

*All records and communications concerning the subsequent review and removal or reversal of the restriction, including the reason it was removed or reversed.*

*Records sufficient to identify the person or persons who recommended, authorized, implemented, reviewed, or reversed the restriction.*

*Records sufficient to establish the date the restriction was implemented and the date it was removed or reversed, if available.*

Attached are the records responsive to your request.

Regarding your inquiry about District Policy, all of the District policies are contained in the District Policy Manual, which can be accessed at this link: <https://egs.edcounsel.law/kearney-r-i-school-district-policies>

This concludes our response to your request.

Becky Burkemper  
Custodian of Records

**Message:**

Dear Custodian of Records,

Pursuant to the Missouri Sunshine Law, Chapter 610, RSMo., I am requesting electronic copies of public records concerning the restriction of my Facebook account from the Kearney School District's official Facebook page and the subsequent removal of that restriction. My Facebook profile name is Annie Hyden Palmer.

Specifically, I request:

Any policy, procedure, guideline, or other written guidance in effect at the relevant time concerning blocking, restricting, or otherwise limiting a member of the public's ability to access or interact with the District's official social media accounts.

All records and communications concerning the decision to restrict my Facebook account, including the reason or factual basis for the restriction and any policy, rule, or standard considered or relied upon. This includes, but is not limited to, emails, text messages, internal electronic messages, notes, memoranda, and communications with third parties, as well as any existing records memorializing or referring to oral discussions concerning the decision. All records and communications concerning the subsequent review and removal or reversal of the restriction, including the reason it was removed or reversed. Records sufficient to identify the person or persons who recommended, authorized, implemented, reviewed, or reversed the restriction.

Records sufficient to establish the date the restriction was implemented and the date it was removed or reversed, if available.

Because I do not know when the restriction was imposed, I am unable to provide a specific date range. Please limit the search to records concerning the restriction of my Facebook account, including the decision leading to it and its subsequent review and removal.

I am requesting existing records only and am not asking the District to create a

new record or written account of any undocumented oral conversation.

To minimize costs, please provide responsive records electronically by email whenever reasonably possible.

I authorize a maximum of \$25 in total fees and charges for this request. Please notify me before conducting work that would cause the total cost to exceed \$25 and provide me with an itemized written estimate. I do not authorize fees or charges exceeding \$25 without my prior express written approval.

If any portion of a responsive record is closed or exempt from disclosure, please provide the non-exempt portions and identify the legal basis for withholding or redacting the remainder.

Please respond within the time provided by § 610.023.3, RSMo.

Thank you for your assistance.

Sincerely,

Annie Palmer
