<sup>1</sup> Data obtained from the FMCSA Report last updated on May 13 2011 using SMS results as of March 25 2011.

<sup>2</sup> No. of years in business is derived from the “ADD\_DATE” data element in the FMCSA Census file, April 22 2011. “ADD\_DATE” refers to the date when carrier information was added to MCMIS database system. The earliest date was June 1 1974. Therefore, “At least 36” indicates that the carriers began operation prior to June 1 1974.
